

# Wedgwood East Neighborhood Association General Meeting

Thursday, July 14th, 2022

6:30 PM

Present: Amanda Pittman (President), Darren Kiefer (Treasurer), Danielle Vieck (Recording Secretary), Betty Spitzberg (Corresponding Secretary)

Absent: Mark Greene (Vice President)

<u>Yard of the Month:</u> July Yard of the Month was awarded to John and Brenda David of 3713 SW Loop 820.

Security Cameras: At the last meeting Fort Worth police discussed the option of installing security cameras in busy areas. These cameras are funded by neighborhood residents and cost approximately \$2500-3000. Upon further discussion with the FWPD, we have been informed that the cameras are most effective in neighborhoods where there are only one or two main roadways into the neighborhood. There are also limitations in terms of the crimes that these cameras can capture. It has been suggested that personal surveillance cameras would be most effective at catching and preventing crime in Wedgwood, particularly if we can get at least 60% of residents to install them. Amazon and Walmart have many affordable options for cameras with some being as low as \$30.

<u>Get to know your neighbor:</u> In an effort to make Wedgwood safer, we encourage residents to get the contact information of surrounding neighbors. If you see suspicious behavior happening around a house, it is helpful to be able to inform your neighbor immediately. If everyone gathers five new contacts, we will have a much better network of neighbors who can lookout for each other.
